GREEN LIVING & PARENTING BLOGGER

about the blogger

Holly Lee has been maintaining the website & blog *Rocking the Cloth* since 2018. She and her husband are parents to a 5-year-old, a 2-year-old, and have a third child due in the summer of 2020. Holly lives in the Minneapolis-St. Paul area and enjoys spending time outdoors with her family to stay healthy & active and to teach her children good stewardship of the earth. Outside of blogging, Holly is a part-time special education teacher and is active in her church community.

about the blog

While *Rocking the Cloth* started out with a heavy cloth diaper focus, the blog has grown to include a variety of green living & natural parenting topics. Our goal is to help equip & empower families to make the decisions they feel are best for their family and the planet without judgement and fear.
